

## **A Voter Writes A Testimony About Chance For President**

*Chance Trahan Is The Future: I Vote For America - I Vote For Chance Trahan*

**HOLLYWOOD, Calif. - Sept. 3, 2020 - [PRLog](#)** -- Presidential candidates seem to abound in 2020, with two certain parties grandstanding every election year. This year, 2020, has been the worst I've ever seen! The confusion and drama looks to be a ploy to draw attention. The people of the United States are being distracted from other choices.

Mr. Chance Trahan (non partisan) is one of those choices that the Democrats and Republicans would rather you not see. He has background experience in political situations. He knows the ins and outs of government. But he's also an American citizen. One who, like us, are weighing our votes, also feels, sees and knows that the American people aren't really being considered. Family values, rights, freedom are being stripped away by the government we have had for so very long.

In speaking with him, I have found him knowledgeable and quite personable. How many out there can say they've had a meaningful discussion with a future or present president? Chance Trahan has answered questions of mine. Shown concern on the many issues that are troubling the people. His platform issues are present on his website for anyone to see. If you think that there is a missing issue from his page, he welcomes you to let him know and adds it to his issues he'd like to address.

My vote for president is going to this young gentleman. I think he can take on the corrupt buddy system our federal government has assumed and eliminate it. I believe he can free the people from the stigmatized binding that has made life miserable for so many. I believe he can secure our country and set principles straight so we can become a better country. He's a God fearing man, has bible principles in mind. His decency as a man is to be applauded unlike his opponents.

Read his platform issues and see for yourself that Mr. Chance Trahan has the future of us all well considered. I vote for America. I vote for Chance Trahan!
